

# Snow DEFENDER<sup>®</sup>

## 7500 DECO™

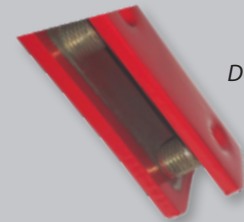

### Introducing the SnowDefender<sup>®</sup> 7500 DECO™

Based on the design of the popular SnowDefender<sup>®</sup> 6500, this color matched, 304 stainless steel model has the more traditional, historic look of a cast snowguard. The decorative cutouts are embossed for increased strength and the proven attachment method using set screws means the **SnowDefender<sup>®</sup> 7500 DECO™** will last the life of your roof.

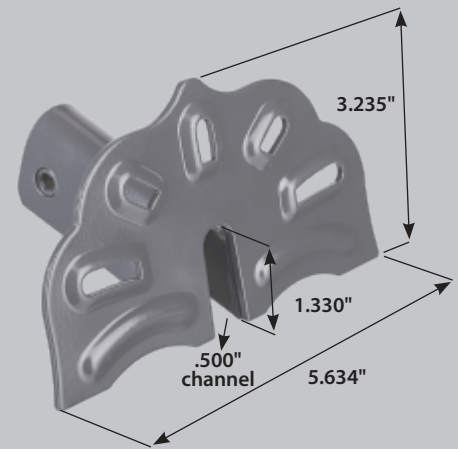

**For standing seam roofing:** fits standing seams up to 3/8" width, and most 1" through 1-3/4" seam height.

- Type 304 stainless steel will not corrode
- Excellent fade resistance
- Does not penetrate metal
- No caulk needed
- Super tight powder coated or mill finish
- Patented
- Made in the USA
- Damage free packaging
